Commissioner Chloe Eudaly

I respect the position you have chosen to represent The City of Portland, but I must switch this communication from business communications to a political agenda

Our City leaders are paid to voice their opinions and make decisions, I have seen and heard your remarks and your votes on many issues in Council Meetings. I have been asking my City leaders for an opinion starting from my first appearance in November 2016 24 months ago

For the Record: Why you are not giving me your opinion to my question I presented to you in November 2016 ?

I'm not asking for a legal answer, rather please read and give me your personal understanding and who should enforce ORS: 830.035

Mr. Mayor 156 days ago we meet and as of today no progress has been made from that meeting.

On 1-20-2017, I hand delivered to your office the

Oregon State Statue Reporting and Enforcement Law O R S 830.035.

Reporting and Enforcement

ORS 830.035 (1) provides:

The sheriff of each county and all other peace officers shall be responsible for

The enforcement of this chapter and any regulations made by the State

Marine Board pursuant thereto.

Emphasis added. "Peace officer" includes "a member of the Oregon State Police, a sheriff or deputy sheriff and a **city police officer.**" ORS 830.005(11). Thus, for the "Hit & Run", Unsafe Operation and Reckless Operation crimes and violations discussed above, the State Police, the Multnomah County Sheriff's Office and the **City of Portland Police Department all are responsible for their enforcement**, if within their jurisdiction. However, the Marine Board website provides s "Report A Crime" form as well as a "Boating Accident Report" form:

Please give me your opinion to my question below.

I will try and make this as simple as possible, please reply with a X on this paper stating your opinion regarding my question,

Question – Oregon State Statue Reporting and Enforcement Law O R S 830.035.

Who is responsible to enforce this regulation made by the State

____ Yes: ORS 830.035 I think The City of Portland Police department is responsible and should have launched an investigation regarding Mr. Herman's reported Hit and Run to his building located at 1300 N. River Street.

____ NO: ORS 830.035 035 I think The City of Portland Police department has no responsibility to enforce and launch an investigation regarding Mr. Herman's reported Hit and Run to his building located at 1300 N. River Street.

____ I do not care to comment on Mr. Herman's question

Note The first Portland Police peace office responding to my Hit and Run at 1300 N. River Street was Officer Jeff Myers, he was required by State Law to start the investigation and he did nothing.
