"It is time to do good"

1. Withdraw from the JTTF immediately.
2. Once a month move the City Council meeting out into one of the 95 neighborhoods.

(JoAnn and IFJ agree on these two.)

3. Clean up the lead problem in our water system and stop denying it is in violation of the standards.
4. Have same day sign up for communications and expand it to 10.
5. Set up a standing committee to look at the police response to protests. This committee should have a member from the ACLU, The Lawyers Guild and three other members they decide on. There should be an equal amount of Police on the committee.
6. Create a truly independent group who would look at alleged misconduct of police. Members of this group would be recommended by the committee in #5.
7. If there is an issue that must be talked about on the day of the meeting there would be time allowed for that.
8. That the mayor would not change assignments in mid term. Commissioner who is in charge of a bureau would have that bureau for his/her full term.

There are more but I only have seconds left. These are not rocket-science type of suggestions, just do some or all of them and you will be better for it.

We had a houseless man killed by a drunk driver over the weekend in St. Johns, his name was Jason and he was a kind soul who will be remembered.
