Karla  
 I'd like to talk to counsel on November 21. I've been trying to talk to them since before Wheeler and Eudaly were on the board so this still works. The subject I'd like to discuss is how the homeless camps around by properties are still causing me and my business's great distress and I am trying to urge council to lift their ban on the Portland Police department from doing their job and allow the police to arrest people breaking the law.

**Subject:** I'd like to bring up an issue with City Counsel

Hello

I'd like to discuss an issue with city counsel on one of the Wednesday meetings. This is not testimony to an existing hearing but I have been trying to express my frustrations on a city counsel practice for years without any response to my emails and phone calls.

How do I get a chance to speak to them?
