

IMPACT STATEMENT

Legislation title: Accept bid of Brown Contracting, Inc. for the Highway Safety Improvement Program Bike & Pedestrian Project for \$1,193,111.00 (Procurement Report - Bid No. 00000974)

Contact name: Lester Spitler, Chief Procurement Officer

Contact phone: 503-823-1095

Presenter name: Larry Pelatt – Procurement Manager

Purpose of proposed legislation and background information:

The purpose of this legislation is to authorize the Chief Procurement Officer to execute a construction contract for the Highway Safety Improvement Program Bike & Pedestrian Project in the amount of \$1,193,111.00.

The project will design and construct bicycle and pedestrian safety improvements at locations along five street corridors in the city: SE 122nd Avenue, SE Division Street, NE Sandy Boulevard, SE Stark Street, and N Vancouver Avenue.

Ordinance No. 189082 was approved by City Council on July 24, 2018 authorizing the Chief Procurement Officer to issue a competitive solicitation for Highway Safety Improvement Program Bike & Pedestrian Project on behalf of Portland Bureau of Transportation (PBOT). The construction cost based on bids received is \$1,193,111.00.

No revenues will be impacted by this legislation.

This legislation does not change existing City policy.

Financial and budgetary impacts:

The engineer's estimate for this project was \$1,276,578.59 and the confidence level was optimal. Based on bids received, PBOT anticipates the construction contract cost to be \$1,193,111.00, which is 7% below the engineer's estimate.

Funds are available in PBOT T00024.

No present positions will be created, eliminated, or re-classified as a result of this legislation.

Community impacts and community involvement:

The construction contracting community, including State of Oregon COBID certified contractors as Disadvantaged, Minority, Women owned, Emerging Small Businesses, or Service Disabled Veteran owned businesses became involved when the Chief Procurement Officer advertised and publicly noticed the project on the City's Online Procurement System on September 27, 2018.

Potential bidders were able to review the competitive solicitation, attend a pre-bid meeting, ask questions, provide comments, and submit a bid in response to the Invitation to Bid (ITB). Bids received resulted in the award of the construction contract. Procurement Services managed the procurement process. No protests were received.

We do not anticipate any person or group will be testifying.
