Could you please schedule me for the next available "communication" spot at the city council meeting ... I served for 26 years as a member of the Golf Advisory Committee, as well as several other city advisory committees ... I have reviewed the just published CAFR, specifically the segment on the golf program ... I believe that I have several suggestions which could positively affect the financial stability of the golf program for the future ... thank you for your attention to this request, and please email me with your response ... Lee Hill
