

ORDINANCE No. 189340

*Authorize a contract with the lowest responsible bidder for the Holladay-Oregon-Pacific Neighborhood Greenway project in an amount not to exceed \$1.2 million (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. In April 2012, City Council adopted the East Portland in Motion Implementation Strategy Report. The HOP Neighborhood Greenway project is one of the projects listed in the Report's Implementation Matrix.
2. In May 2016, Portland voters passed Measure 26-173, which the Portland Bureau of Transportation's (PBOT) is investing in the Fixing Our Streets Program. The HOP Neighborhood Greenway project has been allocated \$551,724 in Fixing Our Streets funds.
3. Additional funding for the project comes from the PBOT's Transportation System Development Charge Program in the amount of \$932,000.
4. Project design is at 95% and PBOT will be proceeding with bidding the project for construction.
5. PBOT has funds budgeted in FY 18/19 and 19/20 for construction, inspection and management of the project.
6. The Bureau's level of confidence in the cost estimates for this project is moderate, the project scope is defined and plans, and specifications are at 95% complete.

NOW, THEREFORE, the Council directs:

- a. Upon the Council's acceptance of the Chief Procurement Officer's report recommending the lowest responsible bidder, the Chief Procurement Officer is hereby authorized to enter into a contract, provided the contract has been approved as to form by the City Attorney's office.

Section 2. The Council declares that an emergency exists because a delay would unnecessarily delay the Bureau's ability to perform the activities authorized by the Fixing our Streets Program; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.
