

**ORDINANCE No. 189343 As Amended**

\*Authorize a contract with the lowest responsible bidder for the N Greeley Multi-Use Path project in an amount not to exceed \$1.9 million (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. In May 2016, City Council passed a heavy vehicle use tax, 44% of which is to be used for Traffic Safety projects. The N Greeley Multi-Use Path project has been allocated \$650,000 in heavy vehicle use tax funds.
2. Additional funding for the project comes from a city council set aside in the amount of \$650,000, and House Bill 2017 funds in the amount of \$600,000.
3. Project design is at 95% and PBOT will be proceeding with bidding the project for construction.
4. PBOT has funds budgeted in FY 18/19 and 19/20 for construction, inspection and management of the project.
5. The Bureau's level of confidence in the cost estimates for this project is moderate, the project scope is defined and plans, and specifications are at 95% complete.

NOW, THEREFORE, the Council directs:

- a. Upon the Council's acceptance of the Chief Procurement Officer's report recommending the lowest responsible bidder, the Chief Procurement Officer is hereby authorized to enter into a contract, provided the contract has been approved as to form by the City Attorney's office.

Section 2. The Council declares that an emergency exists because a delay would unnecessarily delay the Bureau's ability to perform the activities authorized by the Fixing our Streets Program; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.

Passed by the Council, JAN 09 2019

Commissioner Chloe Eudaly
