SUBJECT: Recognize 2018 Fire Prevention Poster Contest Winners

The goal of Portland Fire & Rescue's Prevention Division is to save lives, property, and the environment by preventing fires before they start. The Prevention Division works to reduce the frequency and severity of fires and other life-safety incidents through a multidisciplinary approach that includes education, engineering, and enforcement. The Prevention Public Education team offers targeted community outreach programs that are developed and implemented through our local schools, community organizations and events, and in the fire stations.

This past October, during Fire Prevention Week, Portland area school children were invited to participate in a fire prevention poster contest. The contest helps spread the word on critical fire safety messages and encourages fire safety in the home, school, and community. Three winners were selected by Fire Chief Mike Myers for their creativity and fire prevention message.

Portland Fire & Rescue wishes to recognize and congratulate **Opal Browning**, 2nd grade student at Atkinson Elementary, **Grace Pollock**, 5th grade student at Rose City Park Elementary, and **Lillianna J.**, 4th grade student at Buckman Elementary, for their excellent submissions to the poster contest.
