I may be repeating thing said in the past only for the purpose of updating the new commissioner

I respect the position you have chosen to represent The City of Portland, but I must switch this communication from business communications to a political agenda

Our City leaders are paid to voice their opinions and make decisions, I have seen and heard your remarks and your votes on many issues in Council Meetings. I have been asking my City leaders for an opinion to my question starting from my first appearance in November 2016 26 months ago

One Commissioner stated to me she cannot help me with my problem I said the only problem I have is the commissioner will not answer my simple question

Another Commissioner response said to me, I do not know the facts of my case. I have no case I'm referring to, I stated You are just kicking the can down the road and will not answer my question

Another council member on June 11, 2018 said he would line me up with the attorney for the police department to answer my question that was 233 days ago and still nothing happening how long is this going to take?

The question presented on 11-20-2016, The first peace office responding to my Hit and Run at 1300 N River Street was Officer Jeff Myers, was he required by State Law to start an investigation according to ORS: 830.035 ?

I'm not asking for a legal answer, rather please read the ORS on the next page and give me your personal understanding of ORS: 830.035, should Pease Officer Jeff Myers from the City of Portland Oregon police department, the first responder, enforce ORS: 830.035 ?

Oregon State Statute Reporting and Enforcement Law O R S 830.035.

Reporting and Enforcement

ORS 830.035 (1) provides:

The sheriff of each county and all other peace officers shall be responsible for

The enforcement of this chapter and any regulations made by the State

Marine Board pursuant thereto.

Emphasis added. "Peace officer" includes "a member of the Oregon State Police, a sheriff or deputy sheriff and a city police officer." ORS 830.005(11). Thus, for the "Hit & Run", Unsafe Operation and Reckless Operation crimes and violations discussed above, the State Police, the Multnomah County Sheriff's Office and the City of Portland Police Department all are responsible for their enforcement, if within their jurisdiction. However, the Marine Board website provides a "Report A Crime" form as well as a "Boating Accident Report" form:

For the Record: Why you are not giving me your opinion to my question I presented back in November 2016 ?
