Purpose of proposed legislation and background information:

Metro has provided funding for use at Community Collection Events within the City of Portland. Community Collection Events are organized by neighborhood, community and nonprofit organizations to receive funds for collection events that help Portland residents reduce waste and promote the recycling of source-separated bulky materials that often accumulate and may otherwise be disposed inappropriately. They are organized to offer a wide range of Portland residents, including seniors and people with disabilities, with proper disposal of household bulky waste and prioritize and promote both recycling and reuse.

Financial and budgetary impacts:

The goal of the Grant Agreement is for neighborhood, community and nonprofit organizations to receive funds for collection events that help Portland residents reduce waste and promote the recycling of source-separated bulky materials that often accumulate and may otherwise be disposed inappropriately.

No City match is required for these funds. No positions will be created, eliminated or re-classified because of this legislation.

The appropriations of \$32,000 in FY2018-19 budget are described in the table below.

Community impacts and community involvement:

The citywide events are a partnership between Neighborhood Coalitions, the City of Portland, and Metro to invest in and build community capacity, including advancing equity, increasing reuse and reducing waste. Events may offer a combination of the following:

1. Collection of bulky waste and hard-to-recycle items;
2. An onsite reuse section; and
3. A litter pickup activity.

100% Renewable Goal: not applicable.
