

ORDINANCE No. 189391

*Amend contract with Just Bucket Excavating, Inc. for the amount of \$76,297 to complete street reconstruction, comply with Americans with Disabilities Act requirement, and accelerate project completion (Ordinance; amend Contract No. 30006244)

The City of Portland ordains:

Section 1. The Council finds:

1. On November 1, 2017 council passed Ordinance no.188663 that authorized a contract with the lowest responsible bidder for the SE Division St to SE Hawthorne Blvd project.
2. On February 14, 2018, council accepted bid of Just Bucket Excavating, Inc for the SE 50th Avenue- SE Division St to SE Hawthorne Blvd project for \$1,150,656.
3. On June 22, 2018, the contract was amended to remove approximately 1,800 feet of Trolley Rails on SE 50th Avenue from Division to Lincoln. The removal of the rails was necessary to meet ADA requirement for Pedestrian Crossing and to extend the life of the new pavement layer to 20years. This increased the contract amount to \$1,434,028.64
4. This supplementary amendment will complete street reconstruction to address the following: 1) meet ADA requirement mandatory for pedestrian crossing on SE 50th Avenue north of SE Lincoln St. to SE Hawthorne Blvd. where the trolley rails remains, and asphalt thickness is 3" or more; 2) Expedite completion of the project to reduce construction impacts to commuting public, and residents of the nearby local streets. This will increase the contract amount to \$1,510,325.94.

NOW, THEREFORE, the Council directs:

- a. That the Commissioner-in-Charge is hereby authorized to amend the contract with Just Bucket Excavating, Inc. in a contract change order form attached as Exhibit A.

Section 2. The Council declares that an emergency exists because it will expedite project completion, and timely compensate contractor for the additional work; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.
