

IMPACT STATEMENT

Legislation title: *Approval for the Bureau of Emergency Management to enter into intergovernmental agreements with additional subrecipients of the Urban Area Security Initiative 2016, grant no. 16-170.

Contact name: Beth Crane

Contact phone: 503-823-2027

Purpose of proposed legislation and background information:

Discuss why the legislation is being proposed and any important background information.

- The purpose of this legislation is to allow the Bureau of Emergency Management to enter into intergovernmental agreements with additional UASI 16 subrecipients. These intergovernmental agreements are needed to reimburse costs for participation in approved UASI 16 projects. The original authorizing legislation (Ordinance 188640) allowed the Bureau to enter into agreements with the specific counties, but not special districts or cities within those jurisdictions, hence this request for legislative approval.
- Funding has been allocated and approved by the funder for this purpose.

Financial and budgetary impacts:

No budgetary impact.

Community impacts and community involvement:

Discuss the impacts of the legislation relating to all of the following if relevant. Describe who is impacted, how they are impacted, how any negative impacts have been addressed, and how the benefits are distributed.

Describe how public involvement and input shaped the bureau's recommended action.

- **Different communities of people (age-specific, cultural, physical ability, ethnic, racial, religious, language, low-income, under-served populations, etc.)** – This legislation will enhance emergency preparedness through training and emergency responders in Clackamas, Columbia, Multnomah, and Washington counties in Oregon and Clark County in Washington; as a result, these jurisdiction's first responders will be better able to safely support the needs of their residents in the event of a disaster. This grant will support projects have an indirect benefit to people with disabilities and access and functional needs.
- **Geographic area, neighborhoods.** Special districts (fire, emergency medical) or cities in Clackamas, Columbia, Multnomah (including all of City of Portland), and Washington counties in Oregon and Clark County in Washington.
- **Businesses (small, large, specific types); institutions; interest-based organizations.** N/A
- **City livability (contributes to a prosperous, educated, healthy, equitable Portland).** Supports efforts to build disaster response capabilities across the region.
- **Summarize significant objections/concerns and support/agreement.** The City of Portland, in conjunction with its regional partners applied for the financial assistance to address the planning, training, exercise and operational needs of this large urban area.
- **Describe how the bureau responded to or incorporated the concerns into the proposed legislation.** N/A
- **Indicate who/which groups will be testifying (if known).** Beth Crane, Grants Program Coordinator will be there to testify, if needed.
