

ORDINANCE No. 189436

*Accept donation of goods and services and authorize a Memorandum of Understanding with Go Lloyd for the improvement of public solid waste and recycling collection (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The City of Portland contracts with private waste haulers to collect solid waste and recycling from public trash cans located in specified districts within Portland.
2. Heavy use of cans in the Lloyd District necessitates frequent emptying and maintenance to keep the cans in appealing and functional condition.
3. Certain can designs provide advantages over older existing styles, such as more ergonomic access for the hauler, customizable graphics for improved aesthetics, graffiti-resistant coating, etc.
4. Go Lloyd has offered to donate various goods and services to replace older cans and to otherwise support and enhance City programs to manage garbage in public spaces.
5. As provided under Portland City Code 5.36.090.A, gifts which may obligate the City in amounts exceeding \$250 require prior approval by the City Council.

NOW, THEREFORE, the Council directs:

- a. The Mayor is authorized to accept on behalf of the City of Portland donations of goods and services from Go Lloyd for the improvement of public solid waste and recycling collection.
- b. The Director of Planning and Sustainability is authorized to execute Exhibit A: Memorandum of Understanding, and any future extensions or amendments of the Memorandum of Understanding, with Go Lloyd.

Section 2. The Council declares that an emergency exists because a delay would unnecessarily delay the City's ability to accept the donated cans. Therefore, this ordinance shall be in full force and effect from and after its passage by the Council.
