Hello Michael,

I hope all is well. I am sorry to inform you we need to cancel your presentation on expungement. I do have another alternative for you to get in front of the council. I would suggest you contact the council clerk Karla Moore-Love (karla.moore-love@portlandoregon.gov) and get a spot on the communications section of the council agenda. This will allow you to have 3mins in front of the council to go over the some of the highlights of the expungement program/process. As of today the next available date is April 3rd, if you have any further questions or concerns please contact Berk Nelson.

Thanks again,

Mustafa Washington

Hey Michael,

Berk may have forgotten Mayor is out of the office on the 27th, and our office generally does not sponsor items to appear in front of the council on a days when Mayor is not present. The next available date Mayor is in the office is March 6. Will this date work for you?

I see Berk is out of office until the 19th. Could we still schedule it even if he's away at the moment?

We had met last Thursday and talked about something slightly different. I had mentioned that a City Council presentation would help in both cases and he reiterated that it would be a good idea. Not sure if that counts.

Hey Michael,

Did Berk reach out to you? The last conversation I had with him he said he wanted to touch base with you prior to scheduling. If he has not contacted you let me know, I will send him a reminder.

Mustafa,

Sorry I haven't responded back until now - I somehow missed this email.

And I plan for my report to take 10 minutes, and then was hoping to bring someone from one of the clinics to come talk with me. So in total 15 minutes.

Hi Mustafa,

I believe we met briefly at the meeting with the two victims of marijuana policing and prosecution with the Mayor. My name is Michael Zhang and I work with the Community Law Division, and yes, I would appreciate the opportunity to report to City Council on our work. Please let me know how I can move this forward.

Yours,  
Michael Zhang

Hi Mustafa,

Since I'm not sure who your office is working with at MPD or what they are working on; I'm including Michael on this email and hopefully, you can help get him setup to present on February 27th.

Cheers,

Subject: Question

Hi Mustafa,

I have a grantee, Multnomah Public Defender, doing work under the cannabis tax allocation grant program, expunging records of individuals with cannabis related charges in an effort to remove barriers for employment and housing for these individuals. They would like to make a presentation to council on February 27th regarding the progress they have made. What is the protocol for getting them on council agenda?

Thanks for your prompt response.

Craig
