Purpose of proposed legislation and background information:

- The Intergovernmental Agreement ("Agreement") with City of Maywood Park outlines the rights and obligations associated with implementing safety improvements along NE 102nd Ave. There is no impact to the budget or any City policies.
- PBOT seeks to partner with City of Maywood Park to improve safety for all users of NE 102nd Ave, including work to be completed in City of Maywood Park right-of-way.

Financial and budgetary impacts:

- This Agreement authorization does not change existing financial obligations or budgets.

Community impacts and community involvement:

- The project team met with hundreds of community members representing adjacent municipalities and local neighborhood associations, schools, and other community-based organizations to determine project goals and evaluation criteria.
- Additional public outreach and community engagement will occur during the pilot evaluation phase of the project and before the final design implementation.
