Section 1. Purpose

The purpose of these Administrative Regulations is to implement the provisions of Portland City Code (PCC) Chapter 7.22. These Administrative Regulations provide for issuance of permits and assessment of fees for walks, marches, parades, athletic events or other processions in streets or on sidewalks based on the need to maximize the safety of Special Event participants and others; to minimize inconvenience to the general public and disruption of public services caused by Special Event permits; and, to provide the public with the opportunity to exercise constitutionally protected rights of assembly and expression.

By issuance of these Administrative Regulations, the City has attempted to provide a clear and complete description of the Special Event Permit process. Sponsors are strongly encouraged to contact the Special Events Coordinator in the Portland Bureau of Transportation (PBOT), as much in advance of the proposed event as possible, for assistance in completing the application and to ensure that the application may be processed in a timely manner. All event approvals are subject to the capacity of the City and associated agencies to provide the services required to protect the safety and convenience of the public.
