All the best,

Hi Joanne,

You are confirmed for one of the Communications spots on April 24th, however I have not received an email from Adam Brunelle with his request to address Council. I am also tentatively holding a third spot for you as you requested at the beginning of the month. We will need to receive an email request from Adam and the third person soon so we can confirm the reserved spots, otherwise we will need to open those spots up for others to sign up. As you can imagine, the Communications spots are highly sought after and are often reserved months in advance. Please have Adam and the third person email their requests by the end of this week so we can make sure those spots are reserved for your group.

Thanks,

Keelan McClymont
