

**ORDINANCE No. 189500 As Amended**

\*Extend contract with Central City Concern to provide treatment services, transitional housing, and support services to chemically-dependent, homeless adult chronic arrestees to June 30, 2022 and increase the not to exceed amount by \$6,477,785 (Ordinance; amend Contract No. 31000971)

The City of Portland ordains:

Section 1. The Council finds:

1. The provision of treatment readiness services, transitional housing for those enrolled in services, and follow-up retention support services to chronic arrestees with chemical dependency issues, is a strategy to reduce nuisance crimes and chronic arrests through the transition of those individuals into treatment;
2. Provision of those services is an element of the Service Coordination Team's (SCT) Housing Rapid Response (HRR) program, which is essential to meeting the terms of the Settlement Agreement between the United States Department of Justice (DOJ) and the City of Portland, and meets goals and objectives set by the City and the Portland Police Bureau;
3. The original term of the contract agreement is from November 1, 2016 through June 30, 2019, in an amount not to exceed \$4,577,092;
4. This is the second amendment to agreement 31000971 since its inception in 2016; the first amendment increased the value of the agreement to include the increase in services and funding approved during the Fiscal Year 2018/19 appropriations process; and
5. The City wishes to extend this contract with Central City Concern for an additional three years and add an additional \$6,477,785 to support the services of the SCT's HRR program for the period from July 1, 2019 through June 30, 2022.

NOW, THEREFORE, the Council directs:

- a. The Chief Procurement Officer is authorized to amend an agreement with Central City Concern, Inc. as outlined in a form similar to the contract amendment attached as Exhibit A.
- b. The Chief of Police and the Project Manager are authorized to execute amendments to the scope of services or the terms and conditions of the Agreement, provided the changes do not increase the amount of compensation or increase the City's financial risk.

Section 2. The Council declares that an emergency exists because it is in the public interest to finalize contract as soon as possible; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.
