**Presenter name:** Alice Brawley-Chesworth

**Purpose of proposed legislation and background information:**
BES is making minor modifications to 13 sections of the Portland City Code (PCC). The 2019 Errors and Omissions Package will make the following changes:

- Correct typographical and formatting errors.
- Remove an expired provision in code.
- Correct errors and omissions as a result of separating the Source Control Manual (SCM) from the Stormwater Management Manual (SWMM) in 2016.
- Clarify unclear, inconsistent, duplicative, or ambiguous language and graphics.

**Financial and budgetary impacts:**
These changes do not include any that change the substance of Code. Therefore, there are no financial or budgetary impacts.

**Community impacts and community involvement:**
These changes will not have any impact on communities, except that clarity and consistency in the Code will make the law more accessible to all. These changes, along with rule errors and omissions changes, were put out for public comment on Wednesday, January 16, 2019. The comment period closed on Tuesday, February 19, 2019 with no comments received.

**100% Renewable Goal:**
