

	Project Name and Description	Existing TSP Project? Yes/No	TSP Project No.	RTP Project No.	TSDC Project ID No.	Estimated Cost	Project Status
1	Jade & Montavilla Connected Centers Project, Phase 1. Construct multi-modal improvements on key pedestrian and bicycle routes within and connecting to the Jade District and Montavilla Neighborhood Centers. See project description and map on previous pages for project locations.	Yes. Various.	New number to be generated	11855	70072	\$7,194,000	Funded. PBOT TDSC and Metro RFF allocated in 2019-2021
2	Jade Connected Centers Project, Phase 2. Construct local street network connections and multi-modal improvements on key pedestrian and bicycle routes within and connecting to the Jade District Center. Location may include, but not limited to: SE 83rd, 84th Ave, 84th Pl, 85th, 87th, 89th, 90th, 92nd, Clinton, Woodward, Brooklyn, Kelly and Franklin.	No. Recommend addition to the TSP and TSDC project list.	New number to be generated			\$10,000,000	Unfunded
3	SE 92nd Ave Safety Improvements (SE Stark - City Limits). Design and implement bicycle facilities between Holgate and Woodstock. Fill sidewalk gaps between Stark and Clatsop. Upgrade or add crosswalks, ADA ramps, and curb extensions or islands in the 2- and 3-lane sections.	No. Recommend addition to the TSP project list during the next TSP update.	New number to be generated	10271		\$2,000,000	Unfunded
4	New pedestrian and bicycle bridge connection over I-205 connecting Jade District to Kelly Butte. This connection is a new concept that emerged from this study. Recommend further study, conceptual design, stakeholder outreach and project development.	No. Recommend add as a refinement study in the TSP.					Unfunded
5	Safe Routes to School Program and Projects. Madison-Jefferson school cluster. Find details on projects, routes, and the process at SafeRoutesProjects.com .	Yes	10009	11127, 11779		\$28,900,000	Partially funded.
6	70's Neighborhood Greenway/ Seventies Greenstreet and Bikeway (NE Killingsworth - Springwater Corridor). Design and implement a bikeway using neighborhood greenway and/or separated in-roadway treatments, with crossing improvements as needed at major streets. Develop a combined pedestrian greenway and bike boulevard including crossing improvements from Killingsworth to Springwater.	Yes	70052	10220		\$9,000,000	Funded. PBOT TSDC and ODOT STIP Enhance Grant allocated in 2019-2021.

	Project Name and Description	Existing TSP Project? Yes/No	TSP Project No.	RTP Project No.	TSDC Project ID No.	Estimated Cost	Project Status
7	82nd Ave Corridor Improvements (Killingsworth - Clatsop). Design and implement multimodal improvements to sidewalks, crossings, transit stops, striping, and signals to enhance ped/bike safety, access to transit, and transit operations. Construct safety and access to transit improvements and transit priority treatments to reduce transit delay and improve transit reliability and travel times. Project will coordinate with ODOT to identify locations and design treatments.	Yes	40013	11844, 12029	40013	\$10,000,000	Unfunded.
8	Outer Division Corridor Improvements (82nd - 174th). Design and implement multimodal corridor improvements including pedestrian lighting, new and enhanced crossings, new or modified signals, transit stop upgrades, enhanced bicycle facilities, access management, and roadway design changes to improve traffic safety.	Yes	80009	10290	80009	\$4,000,000	Funded. Construction in 2019-20.
9	SE Division St Transit Improvements (Central City - City Limits). Provide capital improvements to support the Division Transit Project. The Division Transit Project will improve travel between Downtown Portland, Southeast and East Portland and Gresham with easier, faster and more reliable bus service.	Yes	80039, 80040, 70015	10909, 11590	70015	\$175,000,000	Partially funded.

DIVISION MIDWAY

TRANSPORTATION SYSTEM PLAN (TSP) DISTRICT PROJECTS

	Project Name and Description	Existing TSP Project? Yes/No	TSP Project No.	RTP Project No.	TSDC Project ID No.	Estimated Cost	Project Status
1	Division-Midway Connected Centers Project Phase 1. Construct priority pedestrian and bicycle network improvements within and connecting to Division-Midway Town Center and nearby neighborhood centers, including projects identified in the Division-Midway Neighborhood Street Plan and the Growing Transit Communities Plan. Project Locations: 130th Ave, SE (Stark - Division); 148th Ave, SE (Division - Powell Butte); 129th/130th (Division - Holgate); Boise (116th - 128th); Mill/Main (130th - 162nd); 110s Aves; 130s Ave; 140s Aves.	No. Recommend addition to the TSP project list during the next TSP update.	New number to be generated	11859	80014	\$10,000,000	Partially funded for some elements for design and construction. Partially funded for project development for some elements. Additional funding needed for design and construction.
2	Division-Midway Connected Centers Project, Phase 2. Construct priority pedestrian and bicycle network improvements and local street network connections within and connecting to Division-Midway Town Center and nearby neighborhood centers.	No. Recommend addition to the TSP project list during the next TSP update.	New number to be generated	11824		\$20,000,000	Unfunded.
3	Division-Midway Neighborhood Street Improvements. Priority local street improvements and pedestrian connections identified in the Division-Midway Neighborhood Street Plan.	Yes	10014		10014.3	\$2,000,000	Partially funded. Additional funding needed for project development, design and construction.
4	Safe Routes to School Program and Projects. David Douglas school cluster. Find details on projects, routes, and the process at SafeRoutesProjects.com .	Yes	10009	11127, 11779		\$61,800,000	Partially funded.
5	122nd Ave Corridor Improvements (Sandy - Foster). Design and implement multimodal improvements to sidewalks, crossings, bicycle facilities, transit stops, striping, and signals to enhance ped/bike safety, access to transit, and transit operations. Project design will consider freight movement needs, consistent with policies, street classification(s) and uses. Improve transit speed, reliability, safety, and access along 122nd Ave from Prescott to Foster. Install ITS infrastructure.	Yes	50049, 50060, 50005	11868	50049, 50060, 50005	\$31,000,000	Partially funded. Additional funding needed for project development, design and construction.
6	SE 136th Ave Ped/Bike Improvements (Division - Foster). Construct missing sidewalks on both sides of the street and add bicycle facilities.	Yes	80004			\$5,000,000	Funded. Partially Complete.
7	SE 148th Ave Pedestrian Improvements (Division - Powell Butte Park). Construct sidewalks, curbs, and drainage improvements.	Yes	80005		50053	\$3,000,000	Unfunded.

	Project Name and Description	Existing TSP Project? Yes/No	TSP Project No.	RTP Project No.	TSDC Project ID No.	Estimated Cost	Project Status
8	Mill Park Pedestrian Improvements. Construct sidewalks and crossing improvements to enhance pedestrian travel and access to transit and schools. Locations: Market St, SE (96th - 130th); Mill St, SE (130th - 148th); 101st Ave, SE (Market - Division); 117th Ave, SE (Stark - Division); 130th Ave, SE (Stark - Division)	Yes	80014			\$10,000,000	Partially funded.
9	Powellhurst/Gilbert Pedestrian Improvements. Construct sidewalks, curbs, and drainage, as well as crossing improvements to enhance pedestrian travel and access to transit and schools. Locations: Ramona St, SE (122nd - 136th); Harold St, SE (102nd-128th); Boise St, SE (116th - 127th); 103rd/104th Ave, SE (Powell-Foster); 130th Ave, SE (Powell - Holgate).	Yes	80016			\$10,000,000	Unfunded.
10	4M Neighborhood Greenway: SE Market/ Mill/ Millmain/ Main (I-205 - 174th). Design and implement a bikeway, with improved crossings at major streets. Provide a neighborhood greenway to City Limits, with bike lanes and sidewalk infill in some locations.	Yes	80020		80020	\$2,300,000	Partially funded.
11	East Portland Access to Transit: SE Division St (I-205 - 174th); 130s Aves (San Rafael - Foster) Construct SE Division St sidewalk infill and 130s Bikeway.	Yes	80034		80009	\$4,472,488	Funded. Construction in 2019.
12	East Portland Access to Employment. This project will help build sidewalks and crossing improvements on Powell Blvd, improve sidewalks for access to transit, improve transit stops, improve transit operations, and build the 100s and 150s Neighborhood Greenways.	Yes	80035		80035	\$5,870,072	Funded. Construction in 2019-20.
13	Outer Division Corridor Improvements (82nd - 174th). Design and implement multimodal corridor improvements including pedestrian lighting, new and enhanced crossings, new or modified signals, transit stop upgrades, enhanced bicycle facilities, access management, and roadway design changes to improve traffic safety.	Yes	80009		80009	\$4,000,000	Funded. Construction in 2019-20.
14	SE Division St Transit Improvements (Central City - City Limits). Provide capital improvements to support the Division Transit Project. The Division Transit Project will improve travel between Downtown Portland, Southeast and East Portland and Gresham with easier, faster and more reliable bus service.	Yes	80039, 80040, 70015	10909, 11590	70015	\$175,000,000	Partially funded.

ODOT: Oregon Department of Transportation

STIP: State Transportation Improvement Plan

	Project Name and Description	Existing TSP Project? Yes/No	TSP Project No.	RTP Project No.	TSDC Project ID No.	Estimated Cost	Project Status
1	SE 162nd Ave Safety and Access Project/ SE 162nd Ave Corridor Improvements. (SE Stark - SE Powell Blvd) Construct safety and access to transit improvements from Stark to Powell to support bus service, including enhanced bike lanes and crossings.	No. Recommend addition to the TSP project list during the next TSP update.	New number to be generated	12085		\$5,000,000	Partially funded with \$718,000 from TriMet FTA 5307 funds and \$900,000 from PBOT local House Bill 2017 funds.
2	Rosewood Connected Centers Project, Phase 1. Construct local street network connections and multi-modal improvements on key pedestrian and bicycle routes within and connecting to the Rosewood Center.	No. Recommend addition to the TSP and TSDC project list.	New number to be generated				Unfunded.
3	160's Neighborhood Greenway. Recommend further study, route planning, stakeholder outreach and project development for the 160's Neighborhood Greenway, particularly between SE Division and SE Stark. No route was identified in the Portland Bicycle Plan for 2030 north of SE Division. Currently, there is not a continuous route on existing public right-of-way that connects from SE Division to SE Stark (City Limits). People must travel on 162nd Ave or 174th Ave. A new connection across existing private property or future right-of-way dedication is needed to make this connection on local residential streets or circulate internally between busy arterial streets.	No.					Unfunded.
4	Safe Routes to School Program and Projects. Centennial school cluster. Find details on projects, routes, and the process at SafeRoutesProjects.com .	Yes	10009	11127, 11779		\$22,200,000	Partially funded.
5	4M Neighborhood Greenway: SE Market/ Mill/ Millmain/ Main (I-205 - 174th). Design and implement a bikeway, with improved crossings at major streets. Provide a neighborhood greenway to City Limits, with bike lanes and sidewalk infill in some locations.	Yes	80020		80020	\$2,300,000	Partially funded.
6	East Portland Access to Employment. This project will help build sidewalks and crossing improvements on Powell Blvd, improve sidewalks for access to transit, improve transit stops, improve transit operations, and build the 100s and 150s Neighborhood Greenways.	Yes	80035		80035	\$5,870,072	Funded. Construction in 2019-20.

	Project Name and Description	Existing TSP Project? Yes/No	TSP Project No.	RTP Project No.	TSDC Project ID No.	Estimated Cost	Project Status
7	Outer Division Corridor Improvements (82nd - 174th). Design and implement multimodal corridor improvements including pedestrian lighting, new and enhanced crossings, new or modified signals, transit stop upgrades, enhanced bicycle facilities, access management, and roadway design changes to improve traffic safety.	Yes	80009		80009	\$4,000,000	Funded. Construction in 2019-20.
8	SE Division St Transit Improvements (Central City - City Limits). Provide capital improvements to support the Division Transit Project. The Division Transit Project will improve travel between Downtown Portland, Southeast and East Portland and Gresham with easier, faster and more reliable bus service.	Yes	80039, 80040, 70015	10909, 11590	70015	\$175,000,000	Partially funded.
