Contact name: Michael Wong

Contact phone: 503-823-3743

Presenter name: Nate Takara, Fire Marshal

Purpose of proposed legislation and background information:

The purpose of this legislation is to amend the fire regulations fee schedule:

- Add lift assist fee, passed by Ordinance No. 189422.
- Add temporary event permit for arts and cultural businesses, adopted by Resolution No. 37421.
- Increase hourly fee for Facilities Permit Program to \$220 per hour.
- Additional administrative updates to provide clearer information to customers.

Financial and budgetary impacts:

There is no financial or budgetary impact associated with this Ordinance because it adjusts the fee schedule for policies already approved by Ordinance and Resolution. Other administrative changes have a minimal impact.

Community impacts and community involvement:

Portland Fire & Rescue collaborated with the Oregon Health Care Association for structuring of the lift assist fee. Notices were sent to impacted facilities before the lift assist fee became effective.

The addition of the temporary event permit will increase the flexibility of arts and cultural businesses to host periodic events in their places of business through an annual permit.
