

ORDINANCE No. 189587

*Authorize an Intergovernmental Agreement with the State of Oregon on behalf of Portland State University, for the use of parking permits and access cards at the 4th Avenue Garage (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Bureau of Development Services (BDS), Bureau of Environmental Services (BES), Bureau of Technology Services (BTS), Fire & Rescue (FIRE), Bureau of Parks and Recreating (PARKS), Portland Bureau of Transportation (PBOT) and the Portland Water Bureau (PWB), collectively, COP, has a need for parking spaces and access cards at the 4th Avenue Garage. COP staff's City assigned vehicles have a need to park in the garage. BES and PBOT also utilize personal vehicles in order to conduct field inspections.
2. BDS inspection staff has parked in PSU's 4th Avenue Garage parking facility, which is adjacent to the Development Services Building, since BDS moved into the Development Services Building in 1999. BES, BTS, FIRE, PARKS, PBOT, and PWB also found that they have a need to park City owned vehicles and personal vehicles (used for inspections) to conduct daily business activities, when necessary. The parking structure is the most convenient and efficient in terms of access and proximity to the Development Services Building.
3. The Bureau of Development Services currently has an interagency agreement with BES, BTS, FIRE, PARKS, PBOT and PWB to handle and process all of the parking invoices and customer service issues with Portland State University Transportation and Parking Services.
4. The costs of these parking permits fall within three tiers: 1. Non-Reserved parking permits are charged at a monthly rate of \$185 per space, 2. Parking spaces reserved all hours are charged a monthly rate of \$260/space, and 3. Parking spaces reserved after 3pm are charged a monthly rate of \$220 per space.

The monthly cost for non-reserved permits during FY2019-20 will increase by \$5 over the FY2018-19 rate to \$185 per permit. Reserved spaces, for electric charging stations, will increase by \$10 per month over the FY2018-19 rate to \$220 per space for reserved after 3pm spaces, and \$260 per space for spaces reserved all hours.

5. Funds for this IGA have been made available in the FY19-20 budget.

NOW, THEREFORE, the Council directs:

- a. The Director of the Bureau of Development Services is hereby authorized and directed to execute the intergovernmental agreement with the State of Oregon, acting by and through the State Board of Higher Education, on behalf of Portland State University (PSU), Transportation and Parking in a form substantially in accordance attached as Exhibit A.
- b. The Parking Agreement as described in Exhibit A shall be in effect July 1, 2019 and ending on June 30, 2020.
- c. The Chief Procurement Officer is authorized to enter into the contract and any subsequent amendments on behalf of the City for the purposes identified in Section 1.
- d. The Mayor and the City Auditor are hereby authorized to pay for said IGA from the FY2019-20 Bureau of Development Services Budget, account 544000, various cost centers, when demand is presented and approved by the proper authorities.

Section 2. The Council declares that an emergency exists in order to prevent delays in timely payment to PSU; therefore, this ordinance shall be in full force and effect from and after its passage by the Council.
