

## ORDINANCE No. 189593

\*Authorize a contract with the lowest responsible bidder for the Springwater Connector Neighborhood Greenway Fixing Our Streets Paving Project (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. In May 2016, Portland voters approved Measure 26-173, the first local funding source in Portland's history dedicated exclusively to the City's transportation needs.
2. The Springwater Connector Neighborhood Greenway was included in the list of Fixing Our Streets projects, which will add vital links to the City's neighborhood greenway network.
3. The project scope includes crossing improvements near Whitman Elementary School, a new multi-use path in Flavel Park, traffic calming, a new connection to the Springwater Trail, and paving of gravel streets with new sidewalk construction.
4. The project is identified in the City's Capital Improvement Program (CIP).
5. The Bureau of Transportation has funds budgeted in FY 2019/20 for construction, inspection and management of the project.
6. The Bureau's level of confidence in the cost estimate for this project is moderate; project is well defined and plans and specifications are nearing completion.

NOW, THEREFORE, the Council directs:

- a. Upon the Council's acceptance of the Chief Procurement Officer's report recommending the lowest responsible bidder, the Chief Procurement Office is authorized to negotiate and execute a contract, provided the contract has been approved as to form by the City Attorney's office.
- b. The Auditor to draw and deliver warrants chargeable to T00632 when demand is presented and approved by the proper authority.

Section 2. The Council declares that an emergency exists because the project must be bid as soon as possible to begin construction in 2019; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.

Passed by the Council, JUL 10 2019  
Commissioner Chloe Eudaly
