Purpose of proposed legislation and background information:

These appointments and reappointments will fill five of the six positions on the River Community Advisory Committee (RCAC) as required by Portland City Code Title 28.03.015.

Financial and budgetary impacts:

This legislation appoints citizen volunteers to serve on the RCAC and will therefore have no budgetary or long-term financial impacts for the Bureau of Development Services (BDS) or the City.

Community impacts and community involvement:

The Bureau of Development Services continually advertises positions for the board through its webpage and, as needed, Media Announcements of upcoming positions. These Media Announcements are widely circulated in the design, development and neighborhood community news outlets and web pages.

100% Renewable Goal:

This legislation appoints citizen volunteers to serve on the RCAC and will therefore have no impact on the City's energy use. This legislation neither contributes to nor detracts from the City's goal of meeting 100 percent of community-wide energy needs with renewable energy by 2050.

Subject: Appointments and reappointments to River Community Advisory Committee (RCAC)

The River Community Advisory Committee is a citizen advisory body, composed of six members who represent a variety of floating structures interests. Members are appointed by the Mayor and confirmed by the City Council for three-year terms and will serve no more than two complete three-year terms, unless the Director recommends approval of a longer term and the Mayor and City Council approve the extended appointment, as specified in Portland City Code Title 28.

I am recommending appointing three new members to the RCAC for 3-year terms from August 7, 2019 through August 6, 2022 – Dan Carlson, Tom Lisch, and Bryrick Shillam. All three will be filling vacation positions on the committee and have a variety of experience working and living in the river community.

I am also recommending reappointing Karla Divine and Jesse Fox to the RCAC for second, 3-year terms from October 7, 2018 through October 6, 2021. Both Karla and Jesse have enjoyed serving on the RCAC and are looking forward to continuing a 2nd term. Both candidates have extensive experience working and living in the river community.

Dan Carlson	Floating Home Resident Member	1 st term	August 7, 2019	August 6, 2022
Tom Lisch	Floating Home Resident Member	1 st term	August 7, 2019	August 6, 2022

Outreach

The bureau recently completed a targeted outreach effort to potentially qualified members in our community. BDS Residential Inspection Services Manager Dave Tebeau reviewed the qualifications of the candidates interested in serving and the River Community Advisory Committee requirements.

With these proposed appointments and reappointments, the RCAC has no vacancies until November 2020. We will continue its outreach efforts to fill vacant positions, as needed.
