

ORDINANCE No. 189651

Amend Vehicles and Traffic and Public Improvements codes to add necessary clarification and update language to align with current City practices (Ordinance; amend Code Title 16 and 17; add Chapter 17.109)

The City of Portland ordains:

Section 1. The Council finds:

1. Portland Bureau of Transportation (PBOT), along with partner bureaus, continually seeks to improve its processes to provide the best possible service to residents in the City of Portland. Most of these processes are governed by City Code Titles 16 and 17, which occasionally need to be amended to reflect changing bureau practices.
2. The majority of these changes are administrative in nature to replace outdated language or terms, update references to other code locations, and update responsible party titles within PBOT. This packet of changes encompasses code used across multiple divisions and groups.
3. Code changes can be found in Exhibit A, with specific reasoning provided in the impact statement of this ordinance.

NOW, THEREFORE, the Council directs:

- a. That City Code Title 16 and 17 be amended as detailed in Exhibit A.
