

Chinese-American & Japanese-American History of Portland & Oregon

A Selected Bibliography

This bibliography lists sources for the history of Chinese Americans and Japanese Americans in the city of Portland and the state of Oregon, and less comprehensively, the Pacific Northwest. A list of Japanese newspapers published in Portland is also included.

Many of the cited sources may be found in the Multnomah County Library: <http://catalog.multcolib.org/> or the Research Library of the Oregon Historical Society: <http://librarycatalog.ohs.org/WebOPAC/>. Some of the more elusive works may be found using the Orbis Cascade Alliance's *Summit* union catalogue, which joins the online catalogs of over 30 Pacific Northwest college and university libraries: <http://summit.worldcat.org/>.
