Hi Meghaan,

Thank you so much for returning my call and educating on the process to speak in front of City Council. I would like to be put on the schedule for July 3rd. My topic is St. Johns transitional housing. Specifically regarding buffer zones within neighborhoods.

Please let me know if you'd like for information from me on the topic, happy to provide.

Again, thank you so much for your time this morning! Have a wonderful weekend,

Marisa Jacobs
