

ORDINANCE No. 189670

*Amend Intergovernmental Agreement with the Oregon Department of Transportation for the East Portland Active Transportation to Transit Project to update scope, schedule and budget information, state and local agency grant responsibilities and staff contact information (Ordinance; amend Contract No. 30003175)

The City of Portland ordains:

Section 1. The Council finds:

1. On January 2, 2013, City Council executed an Intergovernmental Agreement (IGA) with the Oregon Department of Transportation (ODOT) for the East Portland Active Transportation to Transit Project.
2. On June 3, 2015, City Council executed IGA Amendment 01 via ordinance No. 187157.
3. IGA Amendment 02 serves to update the current agreement with final scope, schedule, and budget details as well as updated staff contact information.

NOW, THEREFORE, the Council directs:

- a. The Commissioner-in-Charge is authorized to execute amendments, approved as to form by the City Attorney, to the scope of the services or the terms and conditions of this Agreement, provided the changes do not increase the City's financial risk.
- b. The OMF Grants Office is authorized to perform all administrative matters in relation to the grant application, grant agreement or amendments, requests for reimbursement from the grantor, and to submit required online grant documents on the Commissioner-in-Charge's behalf.

Section 2. The Council declares that an emergency exists because a delay would unnecessarily delay the City's ability to perform the activities authorized by the grant; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.
