

## Portland-area nonprofit or school? This free offer changes everything!

The mobile bidding pioneer is finally here in Portland. Since 2002, ClickBid has helped thousands of schools and nonprofits raise more money. ClickBid is your complete auction event fundraising solution:

- auction software
- mobile bidding
- online auctions
- paper auctions
- event ticketing
- raise-the-paddle events
- text-to-give campaigns
- year-round fundraising

Don't miss out...nothing is more affordable than free! Use ClickBid's fundraising products *free* through 2020—a value of up to \$1,500—but only if you apply by November 15, 2019. To get started, visit [cbo.io/pdx](http://cbo.io/pdx)

This offer is valid for fundraising events taking place before December 31, 2020. Applications must be submitted by November 15, 2019. Applications will be evaluated and approved on a first come, first served basis until we've reached our goal of giving away \$500,000 in software licenses. An industry-standard 3.5% credit card processing fee applies to all credit card transactions related to your auction, but a one-year license to ClickBid software is completely free in this offer. During this offer, ClickBid credit card readers are available for you to buy at cost (\$25 each, normally \$50 each). This is a one-time purchase; you will be able to use the card readers year after year at your ClickBid auctions. Optional on-site support is available for your event night, for an additional charge.
