Hi David,

Thank you for your request for a Communications spot. You are confirmed for a spot on the October 23rd Portland City Council agenda. Communications are the first item on the official agenda and we start at 9:30 a.m. You will have three minutes to speak but you may also submit written material, please provide seven copies.

Communications allow the Council to hear issues that interest our community members. It is not customary, but Council members may choose to ask you clarifying questions or make comments.
