Subject: commentary

To whom it may concern; my name is Larry Mackin and I am a business owner and our family has been in the north and north east Portland business community since 1945. Our business Mackin and son purchased a parcel on Columbia Blvd, as a matter of fact we own property that is located to the west of the TriMet property. The reason I'm reaching out via e-mail is to let you know that myself and my family support a name change on the Columbia Blvd corridor. Unfortunately I'm not able to attend the hearing to offer my support.

Thank you very much.

Larry Mackin
