Comprehensive Plan	Comprehensive Plan wrap-up	$\overline{}$													
	Comprehensive Plan map clean-up	$-\!$.		Ш							
Central City	Comprehensive Plan follow-up on City Council directives CC2035 wrap up					\triangleright							-		
ochtrar city	Central City Fundamental Design Guidelines update	_		\times											
	Green Loop and PBOT circulation improvements			\times											
	Major Site Master Plans - USPS, OMSI, Clinton, South Waterfront					\simeq									
Centers	Mixed-use Code wrap up Strategic planning for specific centers	$-\!$		_			-			-					
	Support for center projects - Jade District			-											
Corridors	SW Corridor Affordable Housing strategy	\neg													
	SW Corridor HCT (DEIS)														
	Powell / Division HCT - next phase	$ \times$													
	82nd Avenue Civic Corridor strategy (CET)	$ \stackrel{\textstyle \sim}{\sim}$	-			.									
Area and neighborhoods	Next streetcar corridor strategy Annual map change process	+				 									
	Institutional zoning for H.S.	\dashv	×	1											
	Community driven work plans				\times										
	North Portland Coalition building				\ge										
	Brentwood Darlington community assessment				\times	l		\sqcup					<u> </u>		
River and Environmental	Middle housing preservation assessment River Plan / South Reach	+				 									
avor and Environmental	BiOP - Code, map, flood plain regs amendments	+		1			\Diamond				++				
	Impervious surface limits in stormwater/hazard challenged areas						\bowtie								
				_				- · · · · · ·			, ,				
Housing	Rent stabilization program options - pros/cons/options	$-\!$	\simeq												
	Manufactured home park preservation - zoning and legal issues	-			\times								-		
	Residential infill for anti-displacement (with Living Cully) Rules for evaluating displacement impacts	+		-											
	Update of gentrification risk assessment		\bigotimes												
	Annual development permit report		\times												
conomy	Is an affordable commercial space program really implementable?		\boxtimes												
	Industrial development performance	$-\!$	\geq												
Community Involvement	Industrial office code performance Overhaul of Community Involvement practice	-													
ommunity involvement	Community Involvement Committee - organize and staff	+			\bigotimes										
	Influencing plans and development - community training				\bowtie										
	Community-driven workplans				\times										
	Fix-It Fairs		_							-	\times				
	Improved transparancy - public records, testimony, decisions														
Code Improvement	Required annual monitoring and evaluation							\times							
	Code issue policy briefs							X							
Design outcomes	RICAP						-	\times							
	Historic Review Code improvement package Develop proposal for phased update of HRI	$+\!\!\!+\!\!\!\!-$		\diamondsuit											
	Design Review code and process changes	+		\frown											
200.g., 0 .0000	Community design standards update	+						\bowtie							
Multi-family housing	MF zoning Code rewrite	$\overline{}$													
Residential Infill	SF Infill Zoning Code Improvements							\times							
	Removing barriers to reuse and adaptation of existing homes	-											-		
	Removing barriers to cottage clusters Promoting new, smaller housing types.	-			\vdash	 									
	Impact of tax, SDC and other fees on infill development.	+				 			$\overline{}$		+				
ligh Performance Projects	Green development strategy for USPS	二													
ccessibility	How to increase accessibility requirements for new development					<u>ا</u> ــــــــــــــــــــــــــــــــــــ									
olid Waste Policy & Operations	S Customer service to residential and commercial customers		I							$\overline{}$	1				
ond waste Policy & Operations	Hauler regulation and rate-setting	-								\Diamond					
	Public trash cans	+		1		 			$\overline{}$	\Rightarrow	 				
	Materials management policy and program development									\bowtie					
	Deconstruction policy and program	$oldsymbol{\perp}$												\times	
esource Efficiency	Sustainability at Work					l					$\vdash \mathrel{\mathrel{\mathrel{\cluster}}}$	\Longrightarrow			
	Commercial food scrap collection Residential waste prevention, recycling, composting outreach	+		1		 						\frown			
	Multifamily waste reduction	+				 					\bowtie
