

ORDINANCE No. 189764

*Authorize an Intergovernmental Agreement with the State of Oregon to receive Quarterly Census of Employment and Wages data from the State Employment Department (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Oregon State Employment Department makes available Quarterly Census of Employment and Wages (QCEW) data to public agencies for general research, mapping and statistical analysis of employment geography, types of employment and employment trends.
2. Metro, Portland Prosper, the City of Portland and other public offices incorporate the data into geographic information system (GIS) data.
3. The Bureau of Planning and Sustainability (BPS) needs QCEW data to support planning projects, evaluate sustainability programs, provide guidance to businesses and develop performance measurements for projects.
4. BPS will administer the proposed Intergovernmental Agreement (IGA) with the State to request GIS data from Metro or Portland Prosper to incorporate into planning efforts and to improve the City's commercial recycling and waste prevention programs.
5. Under the proposed IGA the State will provide the confidential business data at no cost to the City.

NOW, THEREFORE, the Council directs:

- a. The Director of BPS is authorized to enter an IGA with the State of Oregon Employment Department for receipt of data and to execute Agreement No. 19-326 attached as Exhibit A.
- b. The Director of BPS is authorized to sign one-year extensions or renewals of the IGA or amendments that do not increase the City's financial risks.

Section 2. The Council declares that an emergency exists for continuity of services. Therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.
