4. The resulting plan identified eighteen key active transportation investments in the Central City including nine miles of bus lanes, seventeen miles of protected bikeways, and eighty-eight pedestrian crossing improvements; and
5. Since adoption, PBOT, in coordination with TriMet, has been working to fund, design and implement the identified bus lane projects that would benefit the greatest number of transit riders; and
6. TriMet has agreed to reimburse PBOT up to \$3,140,000 for investments transit priority treatments on Central City in Motion projects on NW Everett, E Burnside, and SW Madison and red pavement markings for bus lanes across the Central City; and
7. The Bureau's level of confidence in the cost estimates for these projects is moderate.

NOW, THEREFORE, the Council directs:

- a. That the Commissioner-in-Charge is hereby authorized to accept on behalf of the City of Portland a grant from TriMet for bus priority red pavement markings and

Business Access and Transit lanes in the amount of \$3,140,000. Any increases to the Grant Amount must be approved by the City Council.

- b. The Commissioner-in-Charge is authorized to execute an Intergovernmental Agreement in the amount of \$3,140,000 in a form similar to the attached Exhibit A.
- c. The Commissioner-in-charge is authorized to execute amendments, approved as to form by the City Attorney, to the scope of the services or the terms and conditions of this Agreement, provided the changes do not increase the City's financial risk.
- d. The OMF Grants Office is authorized to perform all administrative matters in relation to the agreement, requests for reimbursement from the grantor, and to submit required documents on the Director and Commissioner-in-Charge's behalf

Section 2. The Council declares that an emergency exists because PBOT is urgently working to implement Central City in Motion projects as quickly as feasible; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.
