3. The purpose of this ordinance is to authorize an amendment to contract 30005876 to allow for additional Construction & Engineering Services as identified in Attachment A.
4. The Bureau's level of confidence in the cost estimate for this project is high as the scope is well defined and the not-to-exceed contract amount has been set.

NOW, THEREFORE, the Council directs:

- a. That the Chief Procurement Officer is hereby authorized to enter into an amendment for Contract 30005876 in a form substantially similar to Amendment 6, attached hereto as Attachment A.

Section 2. The Council declares that an emergency exists because it is necessary to assure that adequate funds are available for construction services which are beginning; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.
