MULTE Program Overview

History

- Adopted by the City in 2012
- Encourages private developers to include affordable housing units in otherwise market-rate developments
- Basic historical program requirements
 - 10-year property tax exemption on residential improvements
 - 10 years of affordability on at least 20% of residential units
- In February 2017 MULTE program changed to better match with IH Program
- Group of projects that were not subject to IH and had not applied for the MULTE program prior to the rule change
- December 2018 City Council & Mult. County approved “Incenting the Pipeline” MULTE Program

MULTE Program Overview

Public Benefits of the “Incenting the Pipeline” MULTE program

- **Affordability:** At least 20% of the units/bedrooms must be rented to households earning no more than 60% MFI, with rent restrictions at that same level
- **Reconfiguration:** Projects can opt to reconfigure their base requirements into larger type units, meaning more family size units made affordable.
- **Accessibility:** At least 5% of the units must be adaptable to be fully accessible to meet the needs of people with disabilities and seniors
- **Equity:** Projects are required to engage a consultant to provide more Minority, Women and Emerging Small Business (MWESB) contracting opportunities.
