

Portland City Sept. 24
1881

D. P. Thompson

Dear Sir I am very
much obliged you to attend
desired to the Chinese theater as
the well promise to be closed
at 12 P. M. and on except Sunday
on exclude file that is the
paper said but the yest night
stay never closed about after
3 P. M. also before yest too
but seem to me the do not
care much about the lower
in diraby also I would occarion
to you all I could because I
hear the outried people said
something very odd to me the
said who his which attend the
business which they are not be
well closed by 12 they must be

object to have some secrete
ablation if the well let they
theater done just the same
but you know also I am very
sary the ar very foolish too
to said that but I do not know
all myself some is must know
the paper said the Chinese theater
been forbid about the 12 P.m.
and except the closed Sunday
keep at holiday also some fool
follow stay after 12 then never
see any office to come after
them also what the think so
but I think so too when the
office must be object to had
some secrete ablation to be over
12 the have none policemen
to come after them I gar the
must be have some thing
secrete too also I hope you
well God bless you more power
to satup the lower make the

all nation have to obey by law
if who do not right not follow
the lower then hoping you
will punished them it is true
because your honor man so I
hope you help the power of law
keep up all your able to do
all your duty which who do not
do right not follow to obey
the lower then you do all
ability of you to maybe about
to abandon the all abash off
abolution too if you do all
that thence I hoping you
please obstinate all business
mens our merchant to closed
up the business sunday to keep
at holday because the Lord
day because you not stop then
the do not care about the
Lord day keep at holday the
all mens some is very foolish
at do all very wicket also to

the first stop all of Gamble house
because the all times Gambling
sunday never care any about the
Lord day and opium smoking
it is very bad to do more hurt
I think only you have all power
to melt them all dirty things too
I know the foolish Chinese if he
like to do any thing then the well
try to do neither way if he could
but he think may be not have
any power enough to keep up
the first lower so he try to do the
little by little then the well doing
up at the some but if you know
all that which who do not obey
the lower then send up some
affice go after them one or twice
them arrest with fine then the
well do not any more I hope
you remember that not do let
them doing any things Sunday all
keep at holday Lord Jesus
evare best
