Joseph J. Heilner, Esq.,

Baker City, Oregon.

Dear friend Joe:

Your valued letter of the 6th inst., calling my attention to the arrest of a young man by the name of Allie Nathan who is charged with the violation of the White Slavery Act, and asking me to investigate the matter, is at hand.

I will do what I can consistently to aid him in his present difficulties, etc. My attention had not previously been called to this case and I was not aware of the arrest of the young man. I will make some inquiries into the matter and take such action as I think the circumstances may require.

The crime that you say this young man is under arrest for is a very heinous one, and if the young man is guilty he ought to be severely punished. I have no sympathy with this sort of thing and I know you have not. However, I will look into the matter as you request.

With kind regards to yourself and your family, I am,

Very sincerely yours,

Dear Sir:

Your letter of even date stating that several burglaries and hold-ups have occurred in the district known as the Hancock Addition, between Thirty-third and Thirty-sixth Sts, East Broadway and East Tillamook Sts., is at hand, and I note that you ask me to give the matter such attention as it deserves.

In reply I beg to say that I shall refer your letter to the Cheif of Police and direct him to investigate the complaint made, and give this district such care and protection as it may required.

Very truly yours,

JS
