

River Plan / South Reach: PSC Run of Show

March 10, 2020

A. Introduction

1. Overview of PSC process so far
2. Review (and potentially add to) list of discussion topic for today (see B below)
3. Note the items on the agenda for April 14

B. Discussion

1. Watershed Health and Resilience (Table A)

- a. Vegetation landward of setback [A-5]
 - b. Riverbank vegetation [A-8, A-9]
 - c. Vegetation and scenic resources
 - d. Enforcement [A-10]
 - e. Non-conforming development [A-1, A-2, A-3]
- On April 14 we plan to cover topics including river setback (and related items), application of regulations to specific properties, and Ross Island's plans.

2. Recreation (Table B)

- a. Waverley Country Club [B-1]
 - b. Brooklyn riverfront access [B-8]
 - c. Enforcement/education on rules in parks and natural areas [B-4]
 - d. Boater safety (OSMB Josh Mullhollem is available if you have questions)
- On April 14 we plan to cover trail setback from waterbodies.

3. Riverfront Communities (Table D)

- Staff has not proposed any items for discussion today. Would any of you like to discuss any items from Table D, Riverfront Communities today?
- On April 14 we plan to cover homelessness and the Macadam Character Statement.

4. Tribal engagement and collaboration

- On April 14 we plan to cover archaeological resources.

C. Other items?
