Hello Karla,

My name is Alex Wilson, and I would like to reserve a communication spot for the next available date. I represent Decriminalize Nature Portland which is currently running a local petition drive. I plan on talking about the current city wide initiative underway and addressing the prospect of a resolution through the city council. Our organization has held one communication slot in the past.

My address is 1241 N. Prescott st Apt 1 Portland 97217. My phone number is 240-277-5732.

Again I am looking for the next available time slot.

Thank you very much, have a mystical day

Alex Wilson, DNPDX
