I would like to put my name on as place holder.

Email from Tiffany

Hi PSAC,

As mentioned, I put a tentative hold for "5 spots" to speak to all of city council [on wednesday April 22nd](#).

City Council sent me an email just now that they need to have all 5 people send a quick email TODAY to

Karla.Moore-Love@portlandoregon.gov

I guess my name on all 5 spots on hold is not enough.

I know we are not 100% sure of keeping or canceling this PSAC communication. Would it be okay if we still hold the spot until we are sure we want to keep or cancel?

I need 5 of us need to send a quick email to Karla with our name and state the topic as PSAC update on Public Safety.

Possible people to speak or hold the spot for now?
