

ORDINANCE No. 125200

An Ordinance amending Section 19-306 of Ordinance No. 75607, the Traffic Code, relating to parking citations.

The City of Portland ordains:

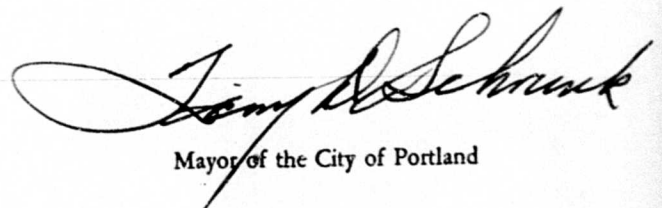

Section 1. The Council finds that the city is considering the use of a chemically treated type of parking citation which is more durable in adverse weather; and that Section 19-306 of Ordinance No. 75607, the Traffic Code, should be amended to apply to any type of parking citation that may be authorized; now, therefore, Section 19-306 of Ordinance No. 75607, the Traffic Code, passed by the Council July 10, 1941, as amended, hereby is amended to read as follows:

Section 19-306. PARKING CITATIONS.

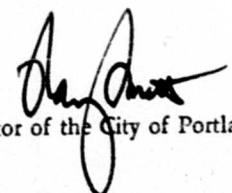

Whenever any vehicle is found parked or stopped in violation of this Code or any other code of the city, the police officer finding the vehicle shall issue a serially numbered parking citation to its occupant, or leave the citation attached to or placed upon the vehicle if unoccupied. The registered owner of the vehicle is prima facie responsible for the violation charged by the parking citation.
