ORDINANCE NO. 144426

An Ordinance accepting a planning grant in the amount of \$228,358, from the Oregon Land Conservation and Development Commission, amending appropriations and transferring funds, abolishing two positions, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

- That Ordinance No. 143067 authorized application to the Oregon Land Conservation and Development Commission (LCDC) for a comprehensive planning assistance grant in the amount of \$270,348, to be matched by a local share of \$27,034;
- 2. That these amounts were approved in the Bureau of Planning FY 77-78 budget; and that a total of nine LCDC funded positions were also approved;
- 3. That the LCDC has approved a grant award in the amount of \$228,358, which is to be matched with a local share of \$22,834;
- That the reduced grant award necessitates the elimination of two approved positions;
- 5. That LCDC is aware that these modifications to the grant will increase the demands on the remaining seven LCDC funded staff positions and may result in the delay of the comprehensive planning schedule and increase the projected amount of future grant applications;
- 6. That the amount of \$41,990, the difference between the original authorized appropriation and the final direct grant amount, be returned to Unforeseen Reimbursable Expenditures;
- 7. That the Difference of \$4,200 in match represents fixed Bureau of Planning costs and therefore cannot be returned to the Operating Contingency;
- 8. That it is now appropriate for the City of Portland to accept the grant award of \$228,358 in order to further the comprehensive planning effort.

ORDINANCE No. 3

NOW, THEREFORE, the Council directs:

The Mayor to execute a grant agreement with the LCDC in the amount of \$228,358 under Grant No. 78-PA and to provide other grant information and assurances as may be required to complete the grant agreement.
