

Draft Northwest Portland Questions

Instructions: Please review the Concept, Land Use and Urban Form, Transportation, and Public Realm slides for the three NW Portland development scenarios, and help us by answering the questions below regarding the scenarios.

NW Scenario 1: Industrial – Enhanced Opportunity

Concept Map

- What pieces of the Enhanced Industrial Scenario do you like or see as an opportunity?
- What pieces of the Enhanced Industrial Scenario do you not like or disagree with?

Land Use and Urban Form Map

- Do you support allowing for creative office as a land use within the Enhanced Industrial Scenario? *(see Land Use and Urban Form map for locations)* Yes No Maybe Explain:

Transportation Map

Public Realm Map

- Do you support the proposal for active uses near transit? By active use we refer to land uses that bring more foot traffic to a storefront, such as a retail or commercial space. *(see Public Realm map for locations)* Yes No Maybe Explain:

NW Scenario 2: Employment – Makers and Thinkers

Concept Map

- What pieces of the Employment - Makers and Thinkers Scenario do you like or see as an opportunity?
- What pieces of the Employment - Makers and Thinkers Scenario do you not like or disagree with?

Land Use and Urban Form Map

- Do you support allowing for more office, professional office, or institutional uses within the Employment - Makers and Thinkers Scenario? *(see the Land Use and Urban Form map for locations)* Yes No Maybe Explain:
- If land use designations (zoning) were changed to allow a greater variety of uses in the area, how tall should buildings be (maximum): 6-7 stories 8-12 stories 12-20 stories 20+ stories

Transportation Map

Public Realm Map

- Do you support the proposal for active uses near transit? By active use we refer to land uses that bring more foot traffic to a storefront, such as a retail or commercial space. *(see Public Realm map for locations)* Yes No Maybe Explain:

NW Scenario 3: Mixed-Use – A Complete Community

Concept Map

- What pieces of the Mixed Use – A Complete Community Scenario do you like or see as an opportunity?
- What pieces of the Mixed Use – A Complete Community Scenario do you not like or disagree with?

Land Use and Urban Form Map

- Do you support allowing for more mixed-use and residential uses within the Mixed Use – A Complete Community Scenario? *(see the Land Use and Urban Form map for locations)* Yes No Maybe Explain:
- If land use designations (zoning) were changed to allow a greater variety of uses in the area, how tall should buildings be (maximum): 6-7 stories 8-12 stories 12-20 stories 20+ stories

Transportation Map

Public Realm Map

- Do you support the proposal for active uses near transit? By active use we refer to land uses that bring more foot traffic to a storefront, such as a retail or commercial space. *(see Public Realm map for locations)* Yes No Maybe Explain:

NW Scenario Direction:

- Which of the scenarios do you favor as a long-range vision for this part of Northwest Portland based on the following evaluation criteria?

Criteria	Enhanced Industrial	Employment	Mixed Use
Transit Supportive Uses and Streets			
Sense of Place			
Community Health			
Equity			
Economic Prosperity			

- Would you support a hybrid scenario that combines elements? Yes No
- Which elements would you combine?
