

Ordinance No. 82273

An Ordinance granting a permit to California Asphalt Corporation, c/o Standard Oil Company of California, Pacific Building, to construct and maintain a 15-inch sewer under and across N.W. Front Ave. approximately 1040 feet southeasterly from the southeasterly line of N.W. Doane Avenue, and declaring an emergency.

The City of Portland does ordain as follows:

Section 1. It appearing to the Council that California Asphalt Corporation, a subsidiary of Standard Oil Company of California, has applied for permission to construct and maintain a 15-inch sewer under and across N.W. Front Avenue along a center line described as follows: Beginning at a point in the southwesterly line of N.W. Front Ave., said point being located 1040.6 feet southeasterly along the southwesterly line of N.W. Front Ave. from the intersection of the southeasterly line of N.W. Doane Avenue, thence northeasterly and at right angles to the said southwesterly line of N.W. Front Ave. a distance of 100 feet to a point in the northeasterly line of N.W. Front Ave., and that the details for such sewer construction have been approved by the City Engineer. Therefore, a permit is hereby granted to California Asphalt Company (hereinafter referred to as the grantee) to construct the said sewer in the said location at a depth of approximately 11 feet below the established grade of the street, the said work to be done in accordance with the attached plan marked Exhibit "A" and made a part of this ordinance, and with the standard plans and specifications of the City of Portland, and under the direction and supervision of the City Engineer, this permit being granted under the following further conditions:

(a) Within ten (10) days from the date hereof, the grantee shall pay to the City Treasurer for the credit of the Engineering Rotary Account a fee of \$20.38, the said amount being 6% of the City Engineer's estimate of the cost of the sewer.

(b) The grantee shall hold the City of Portland, the City Engineer, and each and all of the officers and employees of said City free and harmless from any claims for damages to persons or property which may be occasion-

ed by any construction and/or maintenance carried on under the permit hereby granted until the said sewer has been accepted by the City Engineer.

(c) Within ten (10) days from the date hereof, the grantee shall file with the City Auditor a document satisfactory to the City Attorney accepting the terms and conditions hereof.

Section 2. Inasmuch as this ordinance is necessary for the immediate preservation of the public health, peace and safety of the City of Portland in this: In order that sewer facilities may be provided for the property to be served by the said sewer without undue delay; therefore, an emergency is hereby declared to exist, and this ordinance shall be in force and effect from and after its passage by the Council.
