Purpose of proposed legislation and background information:

The Development Review Advisory Committee (DRAC) is a citizen advisory body representing those with interests in the outcome of policies, budgets, regulations, and procedures that affect development review processes. The DRAC is composed of 17 members representing different stakeholder groups, such as builders, developers, designers, and neighborhoods.

Portland City Code Title 3.30.030 specifies that members of the DRAC may serve up to two 3-year terms. DRAC Member Michael Harrison is recommended for reappointment to the DRAC for a second 3-year term.

Financial and budgetary impacts:

This legislation reappoints a citizen volunteer to serve on the DRAC, and will therefore have no budgetary or long-term financial impacts for the Bureau of Development Services (BDS) or the City.

Community impacts and community involvement:

This legislation will benefit the development review process and the community by supporting the continued effective functioning of the DRAC. Each of the 17 members of the DRAC represents a unique stakeholder group to the development review process; making the reappointment specified in this legislation will ensure that this member's stakeholder group will be represented.

Since this legislation reappoints a current DRAC member, public notice regarding this legislation was not provided.

100% Renewable Goal:

This legislation reappoints a citizen volunteer to serve on the DRAC, and will therefore have no impact on the City's energy use. This legislation neither contributes to nor detracts from the City's goal of meeting 100 percent of community-wide energy needs with renewable energy by 2050.
