

To The Hon. Mayor and Common Council  
of the City of Portland Oregon

Gentlemen

The Undersigned petitioners  
do hereby most respectfully show to Your  
Honorable Body That the County of Multno-  
mah is now erecting a large and substantial  
Armory for Military purposes on the South  
Half of Block 69 in Couchs Addition to the  
City of Portland

That said Armory on its South and West  
and East Walls is 18 inches from "C" <sup>St</sup> and  
N. 9<sup>th</sup> Streets respectively thus practically widening  
these streets to that extent

That said Armory as shown by the accompa-  
nying sketch has Bastioned Towers at its  
South East and North West corners, which Towers  
are necessary and indispensable to such  
a building

That said Tower on the South East Corner  
of said building will for a length of about  
Six (6) feet on each street project about Two (2)  
feet into "C" Street and N 9<sup>th</sup> Street  
and said Tower on the N.W. Corner of  
said building will necessarily extend for a

length of about 6 ft. about Two (2) feet into  
N 10<sup>th</sup> Street

That said space of Six feet in length and  
Two feet in width taken up by said Towers  
on N 9<sup>th</sup> St ~~main~~ and C St are all  
within the angle and a few feet from  
the Corner of said Streets and neither this  
or the space taken on N 10<sup>th</sup> St will in  
any way impede travel upon, or obstruct  
said Streets

Wherefore your petitioners pray leave  
<sup>for said County</sup> to so construct said building and to  
occupy so much of said Streets therefor  
as is herein before specified

And they will ever pray
