I need a bit more time to assemble the exhibits. I'll send via a separate email tomorrow or the following.

In short I'd like to present to the council regarding a Homeless camp located directly across from our small business. I've been reporting it to the PDX Reporter site for approximately a year without any action. The people in the camp have become more violent toward my business in the past weeks which have put myself and my employees in a dangerous situation.

Thank you.

Ben,

Do you want to present an issue to Council? If so, you can sign up for a Communication. This is a three minute spot at the beginning of the Wednesday meetings where you can address Council about anything you wish. If you are interested in signing up for a Communication, there is a spot available every Wednesday in July. Let me know if you want to sign up, and I can assist.

If you want to get an item on the agenda, you will need to contact a Council member's office and discuss the process with them. All items on the agenda come from the Offices of Council.
