Hi Meghaan,

Thank you. I will be speaking about increasing the visibility of Portland Police identification numbers so as to increase accountability to Black and Brown people. I will be respectfully requesting that large id numbers be permanently attached to the front, back and pant leg of all officers.

Thank you,
Brian

Subject: May I please testify before the City Council?

Hello,

My name is Brian Betcone. I live at 4137 NE 28th Ave Portland, OR. I would like to sign up to provide public testimony before the City Council on Wednesday, August 5th or the next available opening. I would like to respectfully request that the City Council and the Mayor mandate that the Portland Police Bureau adopt significantly larger and permanent identification numbers on the front, back, and pant leg of their uniform. This step would increase police accountability to my Black and Brown friends. As they are currently, it is easier to see the name of the clerk at the grocery store than the ID number of an officer carrying a lethal weapon. My phone number is 971-277-0459.

Thank you
