The Chief shall respond to the grievance in writing within 14 days, with a copy to the Association.

Step II. If after 14 days from the date of the submission of the grievance to the Chief, or from the date of his reply, the grievance still remains unadjusted, the person presenting the grievance shall have 14 days to present personally or through the Association the grievance in writing to the Mayor.

Step III. The Mayor shall have 21 days in which to reply. If he does not respond within 21 days, or from the date of his response, the Officer will have 14 days to serve notice of his intention to arbitrate the grievance. Such notice shall be in writing.

(87) 41. ADVANCE NOTICE OF SHIFT CHANGE. An Officer will normally be given adequate advance notice of any change in his regular hours of work, except where an emergency (an emergency is defined as unforeseen event affecting the Bureau's ability to perform its mission) exists. Notice given less than 48 hours (or 72 hours under the Four-Ten Plan) before he is to begin work under the changed schedule entitles the Officer to compensation at the overtime rate for those hours not exceeding eight hours that are earlier, later or different from the hours he last worked in a work day. A policeman is not entitled to compensation under the overtime rate if he is otherwise entitled to compensation under the same hours of work.

(88) 42. WORK ASSIGNMENT IN HIGHER CLASSIFICATION. During routine operations, when an Officer is assigned to fulfill the duties and responsibilities

(44) 23. FOUR-TEN SCHEDULE. (47) A. Vacations. Officers shall be permitted to choose either a split or entire vacation. Vacation time shall be scheduled by the Bureau with due consideration being given to requests from Officers which shall be determined among Officers of equal rank by seniority; provided, however, that each Officer shall be permitted to exercise his right of seniority only once each year prior to May 15.

(48) B. Layoff. In the event of a layoff for any reason, employees shall be laid off in the inverse order of their seniority in their classification. Any employee who is to be laid off who has advanced to his present classification from a lower classification in which he held a permanent appointment shall be given a position in a lower classification in the same department. His seniority in the lower classification shall be established according to the date of his permanent appointment to that classification. Employees shall be called back from layoff according to seniority in the classification from which the employee was laid off within the Bureau. No new employees shall be hired in any classification until all employees on layoff status in that classification have had an opportunity to return to work.

The plan will provide a premium to those Officers with five years or more of service who successfully complete approved college courses. Credits may be earned for the purpose of this plan commencing September 1, 1972, though payment will not begin until January 1, 1973.

(72) Successful completion of three hours of approved college credit shall entitle an Officer to a monthly premium of \$16.25, for a total of \$195 over a 12-month period. (73) Payments will be confined to courses approved for each Officer by the Chief of Police or his designee, and no more than six hours of credit may qualify for payment under this plan in any given school quarter, or more than six hours during the term of this contract.

(74) 39. OVERTIME. As used in this contract, overtime means time an Officer is authorized to work in excess of eight hours in a work day, or forty hours in a work week, or ten hours in a work day or forty hours in a work week for those personnel engaged in the Four-Ten Plan, including time on duty, compensatory time off, a holiday off with pay, or leave for which full salary is paid.

(75) All overtime worked shall be paid at time-and-one-half, with the exception that the ranks of Lieutenant and Captain shall not be entitled to overtime unless held over or called back by a superior Officer.

(76) Where the City and the Officer mutually agree for a specified period to a shift change, a change in days off or split shift, the overtime pay shall not apply, provided the Officer is scheduled for four days off in each payroll period.

Otherwise, they will be permitted to use a maximum of three consecutive calendar days sick leave without a doctor's certificate. Officers shall earn sick leave from their date of hire, and they shall accumulate sick leave at the rate of 4/10 hour per work day, or four hours per bi-weekly payroll period. Such leave may be used after three months service. The maximum accumulation of sick leave shall be 1200 hours.

(56) A. Unused Sick Leave upon Retirement. An Officer who has accumulated sick leave in excess of 240 hours at the time of his retirement shall receive credit in an amount equal to ten per cent (10%) of the first 480 hours of such accumulated sick leave and credits of twenty per cent (20%) on all accumulated sick leave in excess of 480 hours. The amount credited shall be calculated on the basis of the Officer's pay rate at the time of retirement.

(57) B. Insurance Credits. The accumulated sick leave credits shall be applied to continuing the City's family health insurance plan to the retired employee or, if the employee is deceased, his spouse, to the extent of the credit available.

(58) 28. DEATH LEAVE. Upon approval of the Chief of Police, necessary

(58) travel time not exceeding two days shall be allowed an Officer in the event of a death in his immediate family. This travel time shall be in addition to the three days of leave for such death now authorized and shall be charged against the Officer's sick leave credits, or if there be insufficient accumulated sick leave, then to sick leave subsequently accumulated. (64) ordered by the appropriate authorities to attend a prescribed training program or to perform other duties under the supervision of the United States or this State, shall be granted a leave of absence with pay up to fifteen calendar days, or eleven working days, per year, provided, however, that the Officer must have been an employee of the City for six months prior to the request for leave as provided in City Code 4.20.040.

(65) 34. RETURN FROM LEAVE OF ABSENCE. (66) 35. SALARIES. Because of the changing requirements of the policeman's job, Police Bureau salaries should be based solely upon considerations peculiar to and relevant to the duties and responsibilities assumed by policemen.

(67) The City recognizes that in order to recruit and retain high caliber personnel now required by the Police Bureau, police salaries should not become substantially out of line with comparable cities in Washington and California. The Portland Police Association recognizes that the City's financial condition is a relevant factor in establishing such salaries.

(50) Where shift strength is reduced, the most senior Officer scheduled for duty on the shift shall be offered the option of working or not. Where shift strength is increased, the most senior Officer on the shift shall be offered the option of working or not.

(51) D. Assignment to Other Government Agencies. Assignments to other government agencies shall be offered from a list of Officers desiring work on a rotating basis to the most senior employee. (80) An Officer who reports for scheduled duty, but is excused because no work is available, shall be entitled to eight hours pay.
